FRIENDS OF FOSTER CHILDREN FOREVER

RECEIVED A \$5,000 GRANT FROM BANK OF AMERICA

Friends of Foster Children Forever received a \$5,000 grant from Bank of America for General Operating supporting local foster children in need.

Through the bank's grant and partnership, the grant will be used for the General Operating Support of Friends of Foster Children Forever. Specifically, Friends of Foster Children Forever will be able to continue supporting both the children and the families that house foster children. Friends of Foster Children Forever provides consistency and stability to the children while ensuring proper mental, physical, social, and academic development. This is done by connecting children to and financially supporting early childhood programs, mentoring/tutoring, extracurricular activities, and emergency supplies.
