

FRIENDS OF FOSTER CHILDREN FOREVER ANNOUNCES PAT DEMARE IV AS MARKETING & DEVELOPMENT COORDINATOR

NAPLES, Fla. – Friends of Foster Children Forever announces Pat DeMare IV as its new Marketing & Development Coordinator. Pat will oversee social media content, create marketing materials, assist in event planning, and maintain a positive relationship with the community.

Originally from Hillsborough, N.J. DeMare moved to Fort Myers, Fla. to attend Florida Gulf Coast University (FGCU). He graduated with a B.A. in Communications and a Marketing Minor.

“I have always tried to better my community and help those around me, and I am so excited to be joining an organization that shares those same values,” DeMare said.

While at FGCU, DeMare was the president, fundraising chair, and social media manager of an on-campus organization, had many internships, such as Sony Pictures Television, a congressional campaign, and social media manager for a podcast, all while completing over 100 service hours for the community. After graduating from FGCU, DeMare spent the 2021-2022 school year teaching fourth grade at Bridgeprep Academy in Naples, Florida.

DeMare has called Bonita Springs, Fla. home since 2018 and enjoys spending time in the sunny Florida weather. In his spare time, he loves to go to the beach, hang out with his dog Coco, and attend sporting events and concerts. DeMare looks to bring his experience in marketing, public relations, and education to the organization, solidifying his qualifications to take over the Marketing & Development Coordinator position.
